NEW! Students will have the option to use either an Apple iPad or an HP Laptop in middle school.

Either option needs to be assessed by the student's level of responsibility, cost of product and daily wear and use. There are many pros and cons.

APPLE IPAD: Advance Creative Tool, Syncs With Other Apple Products. IE: iPhones, Macs. Compatible with Google Suites.

Con: needs compatible Bluetooth keyboard/case.

- **APPLE SPECS:** iPad-minimum 9.7 retina display, 9.4 x 6.6, 64-128GB.

HP LAPTOP: Compatible with Microsoft Products and Google Suites, keyboard built-in, cost can range. Below is an excellent laptop configuration recommended by our computer science instructor.

- **HP LAPTOP SPECS:** minimum 15-17 processor, 16 GB Memory, 256-512 GB harddrive SSD is a plus but not required.

ADDITIONAL ACCESSORIES:

- One pair of earbuds
- Bluetooth keyboard/case with iPad
- Laptop case for HP
- Bluetooth mouse for HP (optional)
